

Do you want to build a career in Denmark?

LYNGBY-TAARBÆK
VIDENSBY

Join the Career Mentoring Programme, Winter 2018. **Deadline for application: December 9th.**

Lyngby-Taarbæk City of Knowledge has developed a Career Mentoring Programme directed at job-seeking partners and spouses of international professionals currently working or living in Lyngby.

The aim is to attract international professionals and specialists and to help improve the conditions for them and their families.

Programme

December 5 09:00-10:00	January 14 09:00-16:00	January 28 17:00-20:00	February 26 15:00-20:00	March 25 17:00-20:00	April 15 17:00-18:00
---------------------------	---------------------------	---------------------------	----------------------------	-------------------------	-------------------------

The programme is binding in the sense that mentor and mentee enter into a contract. And it's confidential in the sense that mentor and mentee build a personal trust through their dialogue. You and your mentor will during the period arrange one-to-one meetings where you will discuss job vacancies, networking and more.

Who can become a mentee?

In order to become a mentee, you need to:

- Be able to participate in all 6 sessions
- have a strong desire to be employed, to make a career and to build a professional network in Denmark.
- be married to or living with an international professional currently working or living in Lyngby-Taarbæk.

During the programme you will:
