GREATER COPENHAGEN CAREER PROGRAM - BECOME A MENTOR FOR INTERNATIONAL STUDENTS

International students in Denmark constitute a great business resource and possess a great knowledge of their own culture. As a mentor you can help them create a career and build a network in Denmark. International students who get a job in Denmark contribute greatly to growth in the Danish economy and prosperity. As a mentor, you join inspiring events that can help your own career and you become part of an interdisciplinary network of other mentors. After completing the course, a diploma is awarded to both mentor and mentee.

The mentoring scheme, Greater Copenhagen Career Program, aims to retain attractive international students and talent in Denmark. The mentoring scheme builds new networks and makes it easier for companies to attract and retain international specialists.

GREATER COPENHAGEN CAREER PROGRAM

Relocare collaborates with Science City Lyngby to find, develop and support mentors in the Danish business community. We work together to be able to attract and retain the best international students and talents, and to be able to contribute to increased intercultural competence in companies. The program is a 6-month competence-giving and developing learning course for both mentor and mentee paid by the Employment and Integration Administration at Copenhagen Business House. A total of seven courses will be held between 2024 and 2028. If you want to take part in one of the courses, do not hesitate to contact us.
